Prescription Recommendation Agenda

Before School

- Personal Hygiene needs attended to
- Breakfast served
- Designated student work space
- Sign in for school daily
- Administration of meds if necessary
- Student appropriately attired for class work/activities

Afterschool

- Monitor homework completion (hard copies and/or virtual)
- Establish a uniform and consistent work time schedule
- Engage students in no less than 30 minutes of independent reading daily
- Social video games/chats etc. should be off limits during early evening and late night time frames (children should not be awake in the wee morning hours playing Fort Night)
- Engage students into watching the news, educational channels, cultural enrichment programming etc.
- Secure a public library card for your child and use it beneficially (computer check-outs, videos, access to special programs, tutorials, and book readings etc.)
- Reward your child for consistent academic improvement
- Alert MEYGA regarding personal situations that may affect your child's academic progress (all disclosures will be handled confidentially and appropriately)
- Appointments must be made in advance for conferences, progress reports, follow-ons etc.
- PTA meetings and other parent related meetings are to be attended
- Only designated parents or guardians can retrieve students from school
- Parents are expected to pick-up a child when child becomes too ill to function
